PROFESSIONAL SUMMARY

As a user centric and analytical UX designer with 3+ years of experience. I'm passionate about crafting digital experiences that are intuitive, engaging and impactful. I excel with collaborating with product managers, developers and stakeholders to deliver designs that align with business goals and elevate user satisfaction. With a strong background in data-driven design, I am committed to employing research and analytics to create solutions to enrich the user interaction with the platform

Technical Skills:

- ✓ User Research & Personas
- ✓ Wireframing & Prototyping (Low & High-Fidelity)
- ✓ UI Design (Mobile & Web)
- ✓ Interaction & Micro-interactions
- ✓ Design Systems & Responsive Design
- ✓ Collaboration with Developers & Product manager
